

# HELP the PTO

The PTO needs your help! Our checking account is extremely low starting the school year. We are in desperate need of **four computers** to put in classrooms. Our teachers use the computers in their classrooms to access the internet for research, and keep us informed about grades on Engrade. If you or your business has computers to donate, please contact the office. As you know, all gifts to the school are tax deductible.

The PTO will be taking orders for School Spirit Shirts through Friday, August 14. The teachers prefer for their students to wear these shirts on field trips. We have lots of parents that purchase them also.

**All profits from the shirt sales go back into the classrooms!** The teachers fill out a classroom wish list each year and the PTO tries to purchase as many items on the list as possible. Only with your support can we purchase these items!

There are so many projects we would like to work on for the school. We would love to obtain new playground equipment, advanced reading programs, and so many other things. Some of these items can be obtained through Box Tops and Campbell's Soup Labels, so please continue to save these! We realize we are a small school with big ideas, but with everyone working together, we know these goals are attainable!

The PTO has a box in the office for ideas and suggestions. We are always open to new ideas. We desperately need volunteers to help organize and run the PTO. If you have any questions, please feel free to ask. From all the PTO, we want to thank you again for all your support and thank the teachers for the awesome job that they do. We couldn't do this without all of you.

## ASHFORD ACADEMY

### 2009 SCHOOL SPIRIT SHIRTS

Please help the PTO put money back into the classrooms! Each year the PTO offers T-shirts to students, parents, and faculty. **The teachers like for the children to wear these shirts on field trips.** It helps Ashford Academy when we venture out into the public. The children look really nice when everyone is wearing the same shirt. **All profits from this sale go into our classrooms!** The teachers fill out a wish list for their classroom, and the PTO goes shopping to try and fill these needs. **We currently have four classrooms that desperately need newer computers. If you have one that you would like to donate as a tax write off, please contact the office. Thank you for supporting the Ashford Academy PTO.**
