Dear Ashford Academy Parents;

We would like to begin by thanking all students, parents, and faculty for their efforts toward the tremendous change within our school regarding uniforms. Since this change, the Board has decided to form a committee concerning the policies and procedures of uniforms. This committee consists of several parents and teachers. There are no changes being made at this time but rather some very important reminders.

- Jackets are defined as outerwear purchased only at Sandra Jean's Uniform Shop with the Ashford Academy logo or previously ordered jackets from an Ashford Academy athletic organization
- Undershirts are defined as anything (t-shirt, camisole, or tank top) worn underneath the school uniform shirt. All undershirts **MUST BE SOLID WHITE** with no screen printing or writing of any kind.
- A collared shirt must be worn underneath all sweatshirts.
- The entire shirrtail must be tucked in all the way around at all times.
- A belt of brown, black, or tan is required on all bottoms made with belt loops.

A student's dress and appearance should always be neat, clean, and reflect the high standard we strive to achieve at Ashford Academy. As parents we are responsible for supervising our child's dress. Thank you for your support as we continue to make Ashford Academy stand out in a positive manner.

Thank you,

Kim Dudley
Uniform Committee Chair
