Dear Ashford Academy Parents,

We are delighted at Sandra Jean to be your school uniform vendor!

Uniform policies are typically met with mixed emotions but it is our wish that you will find that it makes life much easier. No more "what to wear to school" morning dilemmas and shopping all over town for something to wear that meets your schools criteria.

My daughter was a senior at Northview High School when they implemented a dress code. At first she thought this idea was horrible but after modeling clothes from our store in a fashion show, she decided this wasn't so bad. What she wore each day was determined. She just mixed and matched the items. Then she actually admitted she felt very studious and smart when she put on her uniform clothes!!

A few facts concerning our clothes and store that will be helpful to you are:

- We sell uniforms bought from School Uniform companies.
- Items are very durable and made for easy care, normally blended fabrics - cotton/polyester, wrinkle resistant
- Most all bottoms in a pant/short style have adjustable waists
- Regular, slim, husky, half and plus sizing available
- Girls shorts, pants, and capris are a lower rise
- We use a software program that keeps all of your purchases under your name so if you forget a size, we know what you bought!!
- If we do not have your size, we can order it and have in as little as 3 - 5 days

With new schools, we order in merchandise based on the number of students and in various sizes but truly do not know what items you will choose and what size you need. It is simply a guessing game and no way for us to know how many of specific sizes we need. After this first year, we will have a "past buying trend" to follow for styles and sizing and order accordingly. So....I would suggest you come in early to shop. We will have your merchandise in as quickly as possible after all decisions are final with your school. Hopefully by June 1st....We have samples of all items in now and encourage you to come in and see what your choices are.

Parents of girls....the skort option in your plaid is not available. The company is willing to make some for us...This process takes 10 weeks so it is very important that you bring your child in to be fitted so we can order the skorts. Please come in before May 27th . If we can place order by June 1st we will receive them in mid August. If you are not sure you want a skort, still come in so we can have your size in case you decide to purchase one!!

We are excited to have you shop with us and will do everything we can to fit your child in the styles chosen by your school.

See you soon,

Tami Todd
